

# Birchwood Display

modular wood systems

## The Modular Advantage

Our award winning wood display fixtures improve how products sell while maximizing space. These systems create retail space with one display or our family of displays. Each modular component complements the other and puts your merchandise in the spotlight with the warmth and texture of wood.

# FLOOR STANDS

Showcase multiple products with handcrafted wood floor stands. These high capacity displays spin for easy access and feature many products on a small footprint ranging from 24" to 30". Shipped UPS, these displays are cost effective and maximize your retail space while merchandising volumes of product.

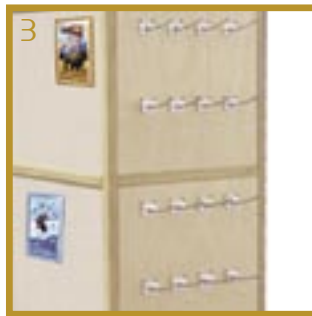

1

One of our best selling display systems, the spinning tower models allow you to easily display a multitude of items. Each cube has removable panels with storage on the inside. Panels are completely interchangeable and can be ordered individually, giving you the option to customize your display system with any combination of magnets, hooks, bins and shelves.

## The Modular Advantage

### Award Winning Design

We make the most of valuable space with displays that combine attractive presentation with maximum product capacity. Many items include built in hidden storage for quick restocking. All of our products are built to complement one another, so no matter what your display needs are you can create a unified look for you business.

### Handcrafted Quality

Birchwood Display is an extension of a 30 year old family woodworking business in the heart of Oregon. Our knowledgeable employees average over 8 years with the company and take pride in handcrafting displays that will deliver years of service.

### Easy Assembly

Thanks to our dedicated design team, all of our products are easy to assemble and require minimal hardware. Several items such as countertop spinners come fully assembled.

### Same Day Shipping!

All of the items shown in this catalog are in stock and ready to ship today! Quantity discounts and shipping info is available on request.
